---

**System Requirements For File Viewer Lite:**

Two-player offline co-op, with a second player controlling The Gunslinger from Arizona Coulters Arcade-style shoot-em-up - no checkpoint save system, just restart the game Mac App Store - Please ensure your phone/tablet/mac/laptop meets the system requirements as some gameplay sequences require a mobile device with a certain amount of power to run smoothly. \*Please note that during gameplay it is possible for the game to crash. In these cases, you will need to close the game and re-start it before the game can continue
