
Sonic Riders Zero Gravity Pc Game Free Download

26 Oct 2006 - If you combine two different universes, such as Sonic and Mario Karts, this incredible mix could turn into a game called Sonic Riders. But, as with most games based on different game universes, it can be quite controversial. According to the developers, the game is based on Mario Karts and is a racing game in the style of Sonic Riders. The game will have multiplayer in which you will be able to compete with your friends and other gamers. The game will have 5 different territories: Snow Park, Water Park, Rain Park, and Ocean Park. Each of them will have tracks, levels, and other elements, such as cars, and power-ups.
